JEFFERSON STREET LIGHT 3.7% ABV 9.2 IBU
This beer is clean, low in bitterness, brewed with Malteurop malts for a light body and straw color.

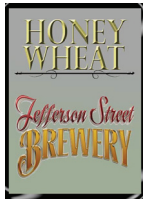

JEFFERSON STREET AMERICAN PALE ALE 5.28% ABV 51.8 IBU
A classic American style pale ale. Medium-high bitterness with pronounced floral hop aroma and citrusy palate from Columbus hops. Caramel malts impart a toasty malt character with medium mouth feel and a deep amber color.

JEFFERSON STREET AMBER 5% ABV 32 IBU
This Scotch-Irish red ale has a pronounced malty roasted and low hop character. Caramel and Munich malts and unmalted roasted barley give this beer a deep burgundy color, significant body and estery nose.

JEFFERSON STREET OATMEAL STOUT 6% ABV 32 IBU
As a classic stout this beer offers dark chocolate and coffee notes along with a strong roasted character. It has an oatmeal sweetness that lingers with caramel near the end. The finish has a large roasted note.

JEFFERSON STREET HONEY WHEAT 5.4% ABV 25 IBU
This is a refreshing wheat ale with a hint of coriander and orange peel for a full, sunny golden color and a distinctive taste. Unfiltered yeast lends a hazy look. Uniquely refreshing.

JEFFERSON MUNICH DUNKEL 4.6% ABV 14.5 IBU
A classic German style brown lager. It has a rich Munich flavor, mildly sweet with hints of caramel and toast. Finishes smooth, not as intense as other brown lagers.
